Dear Brethren:

I have just received your letter concerning a proposed change for our mutual efforts in a gospel meeting. I can appreciate the uncertainty which surrounds your building program.

It is completely acceptable with me that the meeting be changed from 1963 to 1964. I will, of course, have to ask that the meeting begin on Monday night and continue through the next Sunday night in 1964. This is due to an already crowded schedule for gospel meetings in 1964. At the moment my schedule in April depends upon the actual date set for the Abilene Christian College Lectureship. I have the week before and during the Lectureship taken. At the present time according to school authorities the date for the 1964 program has not been definitely set. We should know however within the next few weeks. If at all possible, I would suggest that we postpone the actual date until such time that the ACC date has been set. It is understood of course that our meeting there will occur sometime during April or May.

Your feelings concerning this matter will be expected and appreciated according to what you feel your local situation demands. I send you all my very best wishes with the hopes that all is going well.

Faternally yours,

John Allen Chalk
